- As early as one month before the fundraiser with Vynette Fredrick, on July 13, 2010, he bragged on his Twitter page that he was "strategizing with @adamstrikland @jefflivney for a Caribbean political campaign." (<http://twitter.com/blakestar/statuses/18450371634>)
- According to multiple Internet postings, *"Dynamo Labs has launched fundraising tools for the National Democratic Party in the Caribbean nation of St. Vincent & The Grenadines. Vincentians around the world can now easily donate online to support the NDP campaign."*

- Cohabitat internet postings have posted pages of the *Searchlight* newspaper online, citing the Prime Minister's "rants" against their efforts to raise money for the NDP (<http://www.facebook.com/photo.php?pid=6110003&id=44970809001>)

The Motivation?

- Advertisements for the "Save Democracy" fundraiser stressed that *"The current Prime Minister Ralph Gonsalves has aligned himself with Venezuela and Hugo Chavez."* (<http://dynamo-labs.com/>)
- Advertisements also stressed that St. Vincent and the Grenadines lacked democracy and civil liberties. (<http://dynamo-labs.com/>)
- Copps opposes the International Airport at Argyle. According to Copps *"this airport is being built "at all costs" which includes selling of the Crown Lands in Bequia. These lands were meant for the people of Bequia. The irony on selling the countries treasures so people can fly here to experience the countrys treasures is a sad one."* ([http://www.facebook.com/RealGrenadines\)-](http://www.facebook.com/RealGrenadines)-)
However, Copps himself 'purchased the countries [sic] treasures' and himself owns land in Bequia!!
